ARE WE OLD AT 45?

Death Due Simply to Old Age Reported at 50.

Few Business Men in These Days Enjoy Long Life.

Infirmities and Maladies That Are Neither Natural Nor Necessary.

Deaths due simply to old age are reported between the ages of 45 and 50. Men and women are growing old before their time.

Very business men enjoy a ripe old age.

And yet what are habitually regarded as the infirmities and maladies of old age are not a necessary feature of it. Gout, rheumatism, leprosy, kidney trouble, melancholy and depression are due to poor blood and an impaired nervous system.

For years and years, patient, modest thinkers tried to learn more about these diseases. Their quiet discoveries achieved wonderful results. Pain's colony compound was discovered by Prof. Edward E. Phelps, M. D., LL. D. of Dartmouth College. It is the utmost that medical science has yet done to relieve nervous trouble, rheumatism, gout, and diseases of the kidneys and liver. It makes people well.

Physicians regard the colony compound as a true remedy for diseases of the kidneys, it has so repeatedly cured where everything else has failed.

To neglect plain signs of dyspepsia, kidney trouble, or nervous breakdown is to allow trouble to acquire a momentum that nothing may be able to check. Pain's colony compound should be taken at once. It never fails to give relief.

A New Certain Cure for Piles.

We do not intend to indoctrinate any except articles of genuine merit; we therefore take pleasure in recommending to sufferers from piles in any form, a prompt and permanent cure. The following letters speak for themselves:

Mrs. Mary C. Tyler, of Heppner, Ore., writes: "One pkg. of Pyramid File Cure entirely cured me of piles from which I have suffered for years, and I have never had the slightest return of them since."

Mr. E. O'Brien, Rock Bluff, Neb., says: "The pkg. of Pyramid File Cure entirely removes every trace of itching piles. I cannot thank you enough for it.

The Pyramid File Cure is a new, certain, painless cure for every form of piles. It is safe, sure and cheap. Any druggist will get it for you if you ask him.

of a bottle of Smith's Bile Beans. Their salinity is strong, sugar-coated for the taste, and the taste makes them pleasant as a means of moving the bowels." There is not a grape in a barrel of them." They regulate the flow of bile, hence are adrenocinetics in combination and diuretics. They are in all departments of the liver, stomach and bowels. A six cent bottle will often save a \$3 doctor bill if taken in time. Ask for the SMALL size. Take no substitute for SMITH'S.

USE POND'S EXTRACT

Have the early frosts or too late a lingering by the garden gate again aroused that RHEUMATISM so peacefully slumbering the summer long? Well, if it's very bad you must change your diet and perhaps take some distressful drug—the doctor will tell you what—but first rub thoroughly the part afflicted with POND'S EXTRACT, then wrap it warmly with flannel, and the rheumatism may wholly disappear. It will certainly be much relieved. Now that you have the POND'S EXTRACT try it for any of the many things its buff wrapper mentions. It's a wonderful curative. But don't accept substitutes.
